I'm so sorry to hear that.

Is your child all right?

I know how upsetting his can be.

My principal will be concerned.

Yes, Yes, Yes

Here's what we can do.

We can fix this.

My principal would not want you to wait.

Options *not* Argument

I can schedule you with the First Responder who can help you now.

I can schedule a time for the principal to call you about this.

The principal would not want you to wait.

Can we start working with you on this right now?

I can save a time on the principal's schedule if you still need it.
